Kansas 2024/25 Annual Attorney Registration

June 18, 2024

To all active and inactive attorneys who have not completed annual registration for 2024/25:

The deadline for registering and paying attorney registration fees is Sunday, June 30, 2024. On July 1, the late fee of \$150 will automatically be assessed if registration is not completed by midnight on June 30. Your registration is not considered complete until the fees have been paid so be sure your office or firm has completed payment if they are doing so on your behalf.

Annual registration is mandatory to complete online, including payment of the fee by credit card. **Do not mail a check to the attorney registration office – it will be returned to you and your registration will be considered incomplete.** Here is the direct link to the Attorney Registration Portal:

Please check this link before calling or emailing the attorney registration office.
- If you don't know your user name or password, click on the "[Forgot User Name](#)" or "[Forgot Password](#)" link on the main page of the portal. An email will be sent to your "account" email address on file. If you have reset your password and are still receiving an error message, please be sure you are using the correct username.

If your office system security protocols are blocking password reset emails, please ask your IT group to add the domains of *kscourts.org* and *kansascourts.org* to your safe sender list.

Verify that you are entering the correct username and password - your computer's browser program may automatically fill in the incorrect information when logging into the system which will cause an error. To avoid future log-on problems, please be sure to keep track of your username and password.
